**Employer Partners Virtual Networking Event**: Wednesday, September 9 6:00 pm to 8:00 pm PT
Students can put their new elevator pitch skills into action with the Career Center Employer Partners. This virtual event will give students **exclusive access to recruiters** from a variety of organizations that are recruiting for full-time positions and paid summer internship roles.

**JOIN THE TROJAN NETWORK**
At a time when virtual connections are more important than ever, the USC Alumni Association and USC Career Center invite all alumni staff and current students to [join the Trojan Network](#), USC's exclusive professional networking and mentorship platform where alumni share their career and industry-related experiences and information with current students and fellow alumni. It only takes a few minutes to register; you can also sign up using LinkedIn. [Join the Trojan Network today](#)!

**SECURING AN INTERNSHIP WEBINARS** September 9, and 10 – various times PT
At this online workshop, students can learn how to find an internship, what qualifications or classes are necessary, and what to expect from both virtual and in-person internship experiences. Students can [RSVP for a workshop](#) on connectSC to get the Zoom link.

**VIRTUAL “ON-CAMPUS” RECRUITING (OCR)** - September 9 to November 20
Employers are participating in the Virtual “On-Campus” Recruiting (OCR) Program to interview students for full-time jobs and paid internships! In addition, many organizations are scheduled to host [Virtual Trojan Talks](#). These online information/networking sessions take place so hiring managers and campus recruiters can inform students about their organization culture and career opportunities. Students can [log in to connectSC](#) to get started.

**TWO-DAY FALL VIRTUAL CAREER FAIR** - Wednesday, September 16 and Thursday, September 17 from 9:00am – 2:00pm PT
Employers will be recruiting for full-time, part-time, and paid internship opportunities. Both days of the fair are open to all class years and majors, including transfer students and spring admits. Different employers will be attending each day. Please encourage students to register for [Day One](#) and [Day Two](#) separately on our virtual fair platform using their @usc.edu email address and view all participating employers.

**FIRST-GENERATION MENTOR PROGRAM** – Mentee Application Deadline is Monday, September 14
Finding support and guidance as a first-generation student can be difficult, but by working with a mentor who understands the first-generation experience at USC firsthand, students are better equipped to navigate their own academic and professional journey. [Please encourage your first-generation students to apply](#).

**GRADUATE SCHOOLS VIRTUAL FAIR** – Thursday, October 22 from 10:00am – 2:00pm PT
Do you know any students thinking about attending graduate school? At this virtual event hosted by the USC Career Center, students can come speak with graduate school representatives and explore their programs and application process. Students are encouraged to [register on our virtual fair platform](#) using their @usc.edu email address to view the complete list of participating schools, including Columbia, Harvard, Penn, UCLA, USC, and more.
